Introduction

Energy was monitored in Netherlands from 2013 till 2020 on this project , we will apply data science to identify Energy consumption in that period.

Dataset

Source

https://www.kaggle.com/lucabasa /dutch-energy

column : 15

row : 12647

Algorithm

classification OR **clustering**

Tools

Data Processing

Pandas , Numpy

Modelling

Scikit-learn

Visualizition

Matolplotlib , Seaborn

Thank you
